

Gateway 2007

Objective

For every unit to have a gateway created for their campsite.

Equipment

Logs
Poles
Rope
Flags
Creativity

Procedure

1. Create a gateway for your camp site entrance incorporating the Camporee theme “A Medieval Weekend”.
2. The gateway can be as simple or as elaborate as your Troop desires.
3. In creating this gateway, use as many lashings and knots as you can.

Scoring

- Each gateway will be judged on its design, creativity, and its originality.
- The correct tying of knots, lashings, and gateway stability will be critical judging points.
- Troops are to supply their own materials. DO NOT cut live or standing trees at camp!
- *SEE ATTACHED SCORING SHEET FOR JUDGING CRITERIA.*
